LIS = No monthly premium will be charged for persons eligible for the "Extra Help" Low Income Subsidy.

Some plans allow 90-day supplies at a retail pharmacy. To get a year's worth of 90 day supplies, ask your doctor to write 90 day prescriptions refillable three times

** For CY2024, enhanced alternative plans may offer additional cost-sharing reductions in the gap on a sub-set of the formulary drugs, beyond the standard Part D benefit.
